

Mobile Access

Webmail Mobile

Extend your productivity by accessing your email from your mobile phone with Webmail Mobile. By pointing your phone's browser to secure.emailsrvr.com, you can manage your email, calendar, tasks, and feeds, as well as access your contact list and company directory. There is no additional charge for Webmail Mobile.

Mobile POP/IMAP

Our standards-based email hosting allows wireless devices to pull your email to wherever you find yourself. Just use your mobile phone's email application to access your email, using a POP or IMAP connection. There is no additional charge for Mobile POP/IMAP.

Please note: Your wireless network provider may charge extra for data services. Contact your service to learn more.

Ready to get started?

New customers, please contact our sales team. They will work with you to determine the right email solution for your business.
